COVID-19 Updates

The [COVID-19 Response website](#) is where we post the latest information about the pandemic, including a new COVID-19 Dashboard that is updated every Tuesday.

Calendar: Upcoming Professional Development Opportunities

Check out upcoming professional development opportunities! The TILT TigerLearn event calendar is your go-to for professional development at FHSU! Check it out here: <http://tigerlearn.fhsu.edu/events/>.

To provide faculty and staff with one easy place to see all professional development at FHSU, we're happy to include your event on the TigerLearn calendar. We can include links to your registration site, contact persons for questions, etc. Just contact TILT-FacultyDev@fhsu.edu, and we'll add your event right away!

Tuesday TILT Tip: Yellowdig Updates

As we get close to the end of the semester, you may already have started to reflect on your online instructional practices and plan for the coming semester. If you plan to include discussions as a learning activity, or want to find better ways to engage your students in discussion boards, read on about how you can do using some multimedia resources (<https://www.facultyfocus.com/articles/online-education/online-course-delivery-and-instruction/21-ways-to-structure-an-online-discussion-part-five/>).

One of the discussion tools supported at FHSU is Yellowdig, which provides students the opportunity to interact in an online social learning community. Yellowdig has continued to make improvements, and you can read more about updates available this month here: <https://bit.ly/3eQZFvV>

Annual Steam Shut Down Notice

The Energy Division / Power Plant have planned a steam shut down for the week of May 17 thru May 21, 2021.

Steam Shut Down is always the week following Commencement.

This annual shutdown is needed for multiple repairs in the University's steam and condensate distribution system, and is required for all annual cleaning, inspections and certifications of the Power Plant steam and condensate equipment.

Steam off to campus 10PM Sunday night (5/16/2021)

If all goes well: Steam will be back on to campus by 5:00 PM Friday depending on work schedule.

This is just a steam shutdown, that will affect only heating , domestic hot water and cooking if your building uses steam for that purpose. No other utility will be affected.

Buildings affected by this steam shut down:

Akers

Albertson

Center For Art & Design

Cunningham

Custer

Forsyth

Gross

Hammond

Malloy

Martin Allen

McCartney

McMindes

Memorial Union

Picken

Rarick

Good luck from Forsyth Library!

CliftonStrengths Essentials (Virtual)

Tuesday, May. 25-26th; 9:00-12:00pm (both days)

Virtual Event

Price: \$219 (Hays Chamber & FHSU Alumni discount available)

Is it best to spend time utilizing your strengths or is it more productive to work on your weaknesses? Gallup's Strengths theory claims people should spend the majority of their time doing what they do best; using their already existing natural talents to become more productive and profitable in the workplace and at home. In this workshop, we will explore your natural talents and how to turn those talents into strengths, while also learning how to recognize talents in others and utilize them for the success of the team. *This workshop requires some pre-work. This workshop will be held via Zoom video conferencing.*

**A link to join the virtual Zoom sessions will be sent to you prior to the workshop.*

WORKDAY ANNOUNCEMENTS

The FHSU Student Evaluation of Academic Advising Now Live In Blue

The FHSU Student Evaluation of Academic Advising is now live in Blue for Spring 2021. Email notifications were sent to students announcing that it is live until May 7. Each student received a unique link to access the evaluation. A response rate report should get emailed out daily to help advisors track the progress of their advisees in completing the surveys. Those reports should get generated overnight and be emailed to the advisors. There is also a real time response rate available on the response rate dashboard in each advisor's BLUE portal. You can find it by logging into BLUE here: <https://fhsu.bluer.com/fhsu/> using their TigerNetID and clicking on the response rate dashboard link in the upper left.

When the evaluation data is complete, you will receive an email to access your information in Blue.

Questions or comments regarding the evaluation should be sent to advising@fhsu.edu.

Update Work Schedule in Workday-Summer Hours

As announced by the President's Office, FHSU will be observing summer hours effective May 24th through August 1st. Employees will need to update their work schedules in Workday to reflect their summer hours schedule. **All employees, with the exception of students, temps, adjuncts, and virtual college instructors, must update their summer work schedules with effective dates May 24th – August 1st. Faculty who do not work during the summer do not need to update their work schedule.** It is very important to update your work schedule prior to May 24th to ensure time worked and time off is reported correctly.

Note: If vacation or sick time off was previously requested to be taken off between May 24th and August 1st, the number of hours may need to be updated. AFTER employees have updated their work schedules for the summer hour schedule, they can correct time off requests if necessary by going to the 'Correct Time Off' task under the Time Off worklet.

Click on the links below to view the How-to guides for assistance:

[View and Request a Work Schedule](#)

[Assign a Work Schedule for Employee as Manager](#)

[Correct Time Off](#)

Questions regarding updating your work schedule should be directed to Accounts Payable at apayable@fhsu.edu or 628-5948.

New Workshops for Spring Schedules

The Department of Criminal Justice has added two one-credit hour workshops to the spring schedule, open to students of any major:

CRJ 100 B Workshop in Criminal Justice: Mental Health First Aid

This course explores different training models available for increasing knowledge, assessing for safety, and responding to mental illness. Students in this course will learn how to help someone developing a mental health problem or experiencing a mental health crisis by assessing for suicide risk, listening non-judgmentally, giving assurance and information, encouraging professional help, and finally, encouraging self-help. Successful completion of the course will result in certification in Mental Health First Aid (MHFA).

CRJ 100 C Workshop in Criminal Justice: De-escalation Training

This course introduces students to Marston's (1928) DISC personality model, the most popular and broadly accepted personality model in the world. Advancements to this model, developed in 2014, offer the most comprehensive, innovative, evidence-based experiential de-escalation training available anywhere. Students enrolled in this course will be trained in the first and only nationally certified training program to incorporate personality modeling and threat stage recognition. Students will learn to take actions based on one's personality and adjust to needs of those in crisis. In addition, students will learn to employ best practice de-escalation methods, including to convey respect, permit venting and use active listening. Finally, students will learn how to respond to active or passive threats and de-escalate more efficiently and safely.

Both of these workshops are appropriate for any student pursuing a career in the social or behavioral sciences, nursing, education, and others. Contact the Department of Criminal Justice at criminaljustice@fhsu.edu with any questions regarding either course.

Kelly Center Releases "Tiger Thrive" Virtual Mental-Health Platform

The FHSU Kelly Center is pleased to announce the launch of our virtual mental-health platform, "Tiger Thrive". Tiger Thrive offers all current students, faculty, and staff therapeutic content on various mental-health issues via Blackboard. Tiger Thrive is intended to offer as much of the counseling experience as possible to those who may not have access to our on-campus counseling services. It is also a great option for those looking to take a first step toward mental and emotional wellness. In Tiger Thrive, you will find resources curated by our licensed counseling staff that walk you through concerns like anxiety, depression, stress management, sleep habits, eating disorders, and more. To access this resource, you will need to have a FHSU Blackboard associated account. Tiger Thrive can be found via the Assist Tab on the left menu when you log in to Blackboard.

If you have any questions, please feel free to reach out to us at the Kelly Center: 785-628-4401
